To All Parties:

According to WAC 480-07-850, a petition for reconsideration is deemed denied 20 days after the petition is filed unless the Commission resolves the petition or provides a date certain by which it will act. On April 5, 2011, the Commission issued a notice stating that the Commission would act on the petitions in due course.

To ensure that there is no ambiguity about the Commission's intent, the parties are notified that the Commission does not intend to allow the petitions for reconsideration filed by PacifiCorp and Commission Staff to be denied by force of law. The Commission will act on the petitions no later than May 20, 2011.
