RE: *WUTC v. PacifiCorp d/b/a Pacific Power & Light Co. (2013 Rate Case)*
Docket UE-130043
Corrections to Transcripts for Hearing dated August 26-27, 2013

Dear Ms. McKay:

Commission Staff have reviewed the transcripts from the hearing on the above-referenced docket and request the following corrections:

Corrections to Deborah Reynolds' cross-examination:

403:19 I think actually ~~staff~~ staff's proposal is to address
406:21 It is designed to ~~raise~~ address the
406:24 ~~proposal~~ propose the ERF filing because we believe it would capture
410:24 the company's concern around regulatory lag.
415:18 settlements are not ~~presidential~~ precedential with respect to any
415:20 Certainly they can't be ~~presidential~~ precedential outside of that
418:20 presents came from, but they don't match our review of the commission
423:9 ~~commissioners~~ commission should do a rule making and standardize
425:11 Unit 2 is in service as of May of this year, and ~~use~~ used and
425:16 year and it is ~~use~~ used and useful for service in the state

Corrections to Kendra White's cross-examination:

431:12 studies ~~is~~ for my
439:15 ~~commission~~ position in your case,
439:19 that's a staff's secondary recommendation
439:24 the ~~SL~~ SO factor
440:20 and general ~~ANG~~ A&G.
442:24 I ~~would~~ have one question.

Sincerely,

ROBERT D. CEDARBAUM
Assistant Attorney General
