I'm so sorry, Ann.

I am new to the complex world of the WUTC & it is unclear as to how to get documentation or requests answered related to this docket.

So that I am clear, if we email [records@utc.wa.gov](mailto:records@utc.wa.gov), then reference Docket 151663, the communication will be attached to the docket or we will receive a timely response?

You have been very responsive, which I very much appreciate.

Many thanks,  
-Phil

Good afternoon, WUTC Commissioners & Judge:  
Appears there is a status conference scheduled for 9/30/2016 to discuss PSE violating up to 6 provisions of their merger agreement with Washington ratepayers to conduct unregulated risky LNG production, transport, and sales to 3rd party LNG merchants.

Are there any documents or drafts of documents citizens may review prior to this meeting/hearing?

Many thanks,
