Required By Order 01**

On July 24, 2023, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), filed its compliance report for the second quarter of 2023 in the above-referenced docket. Because the required due date for the report fell before NW Natural's parent company's second quarter earnings release, the Company filed a portion of the report with a confidential designation.

Northwest Natural Holding Company released its second quarter earnings on August 3, 2023; as a result, the Company's previously filed report no longer requires the confidential designation. The unredacted, non-confidential report is provided herein.
