Dear Mr. Danner,

On June 16, 2011, the Washington Utilities and Transportation Commission granted YourTel America ETC status in the State of Washington via an Order effective that day. It included language that YourTel is to abide by the following:

After discussion with Staff regarding, YourTel America hereby places on file two new plans to be offered to qualified residents of YourTel America's designated tribal service areas.

***Washington Tribal Lifeline 2500 Plan:***

Each month the customer will receive unlimited voice minutes for \$5.75 per month plus fees and taxes. There are no rollover minutes with this plan. Unused minutes will expire each month on the service expiration date.

***Washington Tribal Lifeline 1000 Plan***

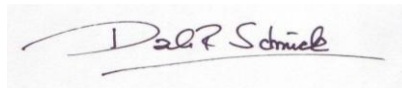

Each month the customer will receive 1000 voice minutes or 1000 text messages at no charge. Text messaging will be assessed at a rate of 1 minute per text message for sending and 1 minute per text message for receiving text messages. There are no rollover minutes with this plan. Unused minutes will expire each month on the service expiration date.

After discussion with Staff regarding, YourTel America hereby discontinues the Lifeline Tribal Plan 2000. No customers are affected by this action.
