**NOTICE RESCHEDULING SETTLEMENT HEARING
(Now Set for Monday, May 15, 2017, at 1:30 p.m.)**

RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy*
Docket PG-160924

TO ALL PARTIES:

On March 9, 2016, the Washington Utilities and Transportation Commission (Commission) initiated a complaint against Puget Sound Energy (PSE) as a result of Commission regulatory staff's (Staff) investigation into a natural gas explosion that occurred in the vicinity of 8411 Greenwood Ave. N, Seattle, Washington. On November 2, 2016, the Commission entered a Prehearing Conference Order establishing a procedural schedule. The procedural schedule was modified by notice dated January 17, 2017. The revised procedural schedule included, among other things, an evidentiary hearing on July 6 and 7, 2017.

On March 28, 2017, Commission Staff and PSE filed with the Commission a multi-party Settlement Agreement (Settlement) and supporting Narrative.¹ On March 31, 2017, the Commission suspended the procedural schedule in this proceeding and scheduled a hearing on the settlement proposal for Monday, May 15, 2017, at 9:30 a.m. Due to an internal scheduling conflict, the settlement hearing is now rescheduled to May 15 at 1:30 p.m.

THE COMMISSION GIVES NOTICE That the hearing scheduled for Monday, May 15, 2017, is rescheduled to 1:30 p.m.

GREGORY J. KOPTA
Administrative Law Judge

¹ These parties represent that the Public Counsel Unit of the Washington Attorney General's Office, the only other party in this proceeding, has not taken a position on the Settlement.
