

FCC FORM 481 (July 2017), Line 1210
Terms and Conditions of Voice Telephone Lifeline Plans
Per Instructions for Completing FCC Form 481

Western Wahkiakum County Telephone Company (the "Company") provides Lifeline service to qualified subscribers throughout the Company's local exchange service area, including in Grays River, Naselle and Rosburg, Washington. Customers may qualify for Lifeline service if certain low-income eligibility requirements are met.

The Company provides flat rate local exchange service to its Lifeline subscribers. It does not offer measured local exchange service or measured Extended Area Service (EAS), so the number of local exchange service and EAS minutes that are provided as part of the Lifeline plan is essentially unlimited. EAS exists between the Company's Grays River and Naselle exchanges.

The company does not provide toll service to its Lifeline subscribers, but does provide access to toll service providers. Company Lifeline subscribers have to choose their own toll service providers. Accordingly, subscribers to the Company's Lifeline service do not incur any Company toll charges, but they may incur toll charges from the toll service providers they select.

Lifeline benefits include credits totaling \$9.25 per month on basic residential voice telephone service. Customers of Wahkiakum West receiving Lifeline credits pay \$16.20 per month for basic telephone service, not including taxes and surcharges.

No Company charges, other than those for the local exchange service and EAS that are included in the Company's Lifeline plan (including the FCC Subscriber Line Charge and E911 charges) are required in order for a qualifying low-income consumer to receive Lifeline service from the Company.
