Phil

Is this open to the public?

Good afternoon, WUTC Commissioners & Judge:

Appears there is a status conference scheduled for 9/30/2016 to discuss PSE violating up to 6 provisions of their merger agreement with Washington ratepayers to conduct unregulated risky LNG production, transport, and sales to 3rd party LNG merchants.

Are there any documents or drafts of documents citizens may review prior to this meeting/hearing?

Many thanks,

Phil Brooke
