RE: *WUTC v. Puget Sound Energy*  
Docket Nos. UE-011570/UG-011571

**TO ALL PARTIES OF RECORD:**

On April 29, 2003, Puget Sound Energy filed an Application for Approval of Amendments to Power Cost Adjustment Mechanism in Compliance with Twelfth Supplemental Order.

The filing requests Commission approval of the recalculation of the Power Cost Adjustment Settlement numbers that were approved in the Twelfth Supplemental Order. The recalculation is memorialized in a Power Cost Adjustment Verification Agreement signed by several, but not all, parties, to the above-captioned dockets. The recalculation results in a reduction of the power cost adjustment identified in the Twelfth Supplemental Order from \$44.463 per MWh to \$43.953 per MWh to be effective for accounting purposes beginning July 1, 2002.

**PLEASE TAKE NOTICE that any party that wishes to be heard on this matter is required to file written comments by the close of business on Friday, May 9, 2003.**
