Dear Mr. Danner:

The parties (Points Recycling and Refuse, LLC, Whatcom County, Renee Coe, Shelley Damewood, Shannon Tomsen, and Staff of the Utilities and Transportation Commission), jointly request that the mediation scheduled for tomorrow be canceled to allow the parties time for additional discovery before negotiating further.

We appreciate the efforts of the Administrative Law Division in making the arrangements for this mediation session and for making a mediator available. We may be interested in additional mediation in the future but do not yet have a date certain.

Sincerely,

JENNIFER CAMERON-RULKOWSKI
