

**BEFORE THE WASHINGTON STATE UTILITIES AND TRANSPORTATION  
COMMISSION**

WASHINGTON UTILITIES AND  
TRANSPORTATION COMMISSION,

Complainant,

v.

PUGET SOUND ENERGY, INC.,

Respondent.

DOCKET NO. UE-100177

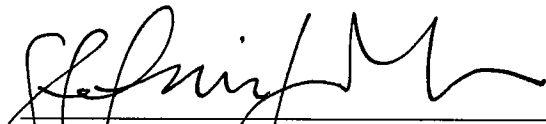

SECOND DECLARATION OF  
STEFANIE JOHNSON

1. I, Stefanie A. Johnson, make the following declaration:
2. I am a Regulatory Analyst employed by the Public Counsel Section of the Washington State Attorney General's Office. As part of my regular duties I am assigned to participate as Public Counsel's representative at Puget Sound Energy Conservation Resource Advisory Group (CRAG) and Integrated Resource Plan Advisory Group (IRPAG) meetings. In addition to meeting attendance, as a CRAG and IRPAG participant I routinely receive e-mail correspondence and information from Puget Sound Energy (PSE) and other participants regarding the activities of the two groups. I am also assigned to analyze and participate in the review of PSE's I-937 compliance filing which resulted in the establishment of this docket.
3. As part of my duties, I had primary responsibility for preparing the Comments of Public Counsel (Comments) filed in this docket on March 5, 2010, in advance of the Commission's Open Meeting of March 11, 2010. A copy of the Comments is attached and Sections I and II are incorporated in this Second Declaration. I have personal knowledge of the matters set forth in

Sections I and II of the Comments,<sup>1</sup> and as to matters that call for an opinion, state such opinion on information and belief, based on my experience with energy efficiency issues generally and with PSE energy efficiency programs in particular.

4. I DECLARE UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.

5. SIGNED at Seattle, Washington this 19<sup>th</sup> day of April, 2010.

STEFANIE JOHNSON  
Regulatory Analyst, Public Counsel

---

<sup>1</sup> Sections I and II of the Comments focus specifically on PSE. Sections III and IV of the Comments are of a more general nature and are not covered by this Declaration.
