State-Level Data

✓ [Washington](#)

### Data Entry

Each provider of local exchange telephone service and/or interconnected VoIP service shall provide a list of total voice-grade (VGE) equivalent lines in service (for local exchange telephone service) and total interconnected VoIP subscriptions sold (for iVoIP service), as well as consumer VGE lines and consumer iVoIP subscriptions, by census tract.

To complete this section:

1. Enter your census tract-level data by clicking on either Upload Files or Data Entry under "Tract-Level Data" on the left pane.
2. Enter your corresponding state-level data by clicking on each state under "State-Level Data" on the left pane.

Row	State	County	Tract	Total Lines	Consumer Lines	Bus./Govt. Lines	Service
1	Washington	Chelan					VGE Lines
