Dear Mr. Killip:

Pursuant to WAC 480-123-060(1)(i), and request from staff, attached is a revised copy of the Broadband Subscription information that was electronically submitted to the Federal Communications Commission (FCC) for the Form 477 Subscriber Data. The information is for the data period ending June 30, 2024 and was submitted through the FCC's Broadband Data Collection portal. The summary is the only portion of the FCC Form 477 that is available in usable format. The enclosed broadband data includes Study Area Code 803703 & 833864. This is being filed with respect to funds received from the Washington Universal Service Communications Program.
