**Re: Docket No.: UT-240078: Order 04**

ALJ Bonfrisco:

I write to request that the Commission treat Order 04 as if it was served and effective on December 26, 2024, rather than on December 20, 2024. Only yesterday, I learned from a Seattle Times article that Order 04 had been entered in the docket. I do not have record of having been served by the Commission on December 20. The Proof of Service found on the Commission's website contains a misspelling of my name and email address. Given the relatively tight deadlines that stem from an Initial Order, CenturyLink would appreciate the courtesy of an extension to reflect a December 26, 2024 effective date of Order 04.

I have spoken with counsel for Commission Staff, and Staff does not oppose this request.

Thank you for your consideration of my request.

Sincerely,

Adam L. Sherr  
Assistant General Counsel
