Replacement Pages Associated with Transmittal No. 3636T Filed on November 29, 2007*

Dear Ms. Washburn,

Enclosed please find one original and five (5) copies of Qwest's replacement pages for revised *WA Catalog No. 2* including clean and red-lined versions of the documents. Qwest is making this filing to correct the rates of certain services that were not accurate in the catalog filed in conjunction with Transmittal No. 3636T on November 29, 2007. Please replace the representative pages in the existing 'clean' catalog as filed by Qwest on December 31, 2007, with the corrected 'clean' pages provided in this filing. These documents are provided for informational purposes.

One copy of these documents will be sent to all parties of record. In addition, copies will be e-mailed and sent via messenger to Public Counsel and Commission Staff.

Sincerely,

Mark Reynolds
