NOTICE OF COMPLIANCE

RE: *Washington Utilities and Transportation Commission v. BNSF Railway Company, LLC*, Docket TR-150284

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 02, Final Order Approving Settlement Agreement With Conditions (Order 02), in this docket on December 7, 2015. Order 02, among other things, approved a settlement agreement and required that Commission Staff (Staff) file with the Commission, by April 1, 2016, a Memorandum of Understanding (MOU) or comparable agreement with the Washington State Emergency Operations Center that establishes the expectations, procedures, and responsibilities of each agency arising from the reporting that WAC 480-62-310 requires.

On March 23, 2016, Staff filed a letter and MOU between the Commission and the Emergency Management Division of the Washington State Military Department as directed in Order 02.

The Commission finds that the MOU filed by Staff in this docket is in compliance with the condition in Order 02, paragraph 40.
