Subject: Agreed upon information

Phil,

Attached is year 1 and year 2 of the UTC tariff as well as the recent shortage on payments information. Below I have included some citations to the RCW regarding our inability to charge more, or less than the listed tariff. In addition there is a link to the UTC website as well as contact information, should you want to contact the UTC. I am sorry we could not be more accommodating of your request to reduce the charges.
