Re: UT-090842 -- Joint Application of Verizon Communications Inc. and Frontier Communications Corporation for an Order Declining to Assert Jurisdiction Over, or, in the Alternative, Approving the Indirect Transfer of Control of Verizon Northwest Inc.; Further Exhibits Regarding Settlement Agreements

Dear Mr. Danner:

Per the exchange of correspondence among the parties and Judge Clark, the Applicants are unable at this time to provide exhibits for cross-examination on non-settling parties' oral rebuttal testimony on the settlement agreements ("Rebuttal Testimony") or for surrebuttal to that testimony because we will not know the contents of the Rebuttal Testimony until it is offered at the hearing. Accordingly, the Applicants will provide a sufficient number of copies of any such exhibits at the hearing, and will ensure that they are filed with the Records Center by February 5, 2010. If you have questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Gregory M. Romano".
