RE: In the Matter of the Continued Costing and Pricing of UNEs, Docket No. UT-003013;
In the Matter of Verizon Northwest Inc.'s Terms and Conditions Regarding Microwave
Entrance Facilities, Docket No. UT-011219

TO THE PARTIES:

On December 7, 2001, the Commission requested that parties in both dockets referred to above respond by December 18, 2001, to comments regarding whether the Commission should broaden the scope of issues in Docket No. UT-011219 to include the establishment of a Verizon SGAT. Verizon requests an extension of time to December 21, 2001, for filing responses because of the slow mail delivery of comments filed and served by Commission Staff. The request for an extension of time is granted.

NOTICE IS HEREBY GIVEN that parties must file and serve written Response Comments no later than **Friday, December 21, 2001**.

Sincerely,

LAWRENCE J. BERG
Administrative Law Judge
