Re: Docket No. UE-050684: WUTC v. PacifiCorp

Dear Sir/Madam:

Enclosed, please find The Energy Project's Petition to Intervene and the Notice of Appearance of myself on behalf of The Energy Project in the above-referenced proceeding. I am faxing and emailing copies of each of these documents, and overnight mailing an original and twelve copies to your physical address today.

Your administrative law judges overseeing this proceeding were gracious enough to allow my participation in the upcoming prehearing conference on June 6, 2005 by telephone, but it appears that I will be able to attend in person after all.

Though I have extensive experience before the Idaho Public Utilities Commission, I have never appeared before the WUTC. I have endeavored to learn and strictly comply with your procedural rules, but would appreciate any feedback you have in the event that I commit an error. Thank you for your assistance in this matter.

Very truly yours,

Brad M. Purdy
