**Re: UG-200264—NW Natural's Second Quarter 2024 COVID-19 Report  
Required by Order 01**

On July 22, 2024, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), filed its compliance report for the second quarter of 2024 in the above-referenced docket. Because the required due date for the report fell before NW Natural's parent company's second quarter earnings release, the Company filed a portion of the report with a confidential designation.

Northwest Natural Holding Company released its second quarter earnings on August 2, 2024; as a result, the Company's previously filed report no longer requires the confidential designation. The unredacted, non-confidential report is provided herein.

Please address correspondence on this matter to me with copies to the following:
