**NOTICE CANCELLING HEARING
(Set for August 14, 2015)**

RE: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*, Docket UE-144160

TO ALL PARTIES:

On December 29, 2014, Pacific Power & Light Company (Pacific Power or Company) filed a tariff revision with the Washington Utilities and Transportation Commission (Commission) updating its avoided cost tariff, Schedule 37. The Commission convened a prehearing conference in this docket on April 23, 2015, and adopted a procedural schedule for this proceeding in Order 02, including setting an evidentiary hearing for August 14, 2015, at 1:30 p.m.

On August 4, 2015, Commission Staff (Staff) filed a joint motion, on behalf of the parties, to cancel the evidentiary hearing scheduled for August 14, 2015. The parties agree that the hearing is not necessary and that the case is best resolved on the basis of a paper record. The parties indicate that the remainder of the procedural schedule should be maintained as set in Order 02.

The Commission finds good cause to cancel the hearing and therefore grants the parties' request.

THE COMMISSION GIVES NOTICE That the evidentiary hearing scheduled for August 14, 2015, is cancelled. The remaining procedural schedule remains unchanged.
