**NOTICE EXTENDING TIME FOR COVAD TO FILE PART D RESPONSE TESTIMONY
ON BASIC INSTALLATION WITH COOPERATIVE TESTING
(Friday January 11, 2002)**

RE: In the Matter of the Continued Costing and Pricing of Unbundled
Network Elements and Transport and Termination
Docket No. UT-003013

TO: PARTIES OF RECORD

Covad Communications Company ("Covad") filed, on December 18, 2001, a motion requesting additional time to respond to revised direct testimony prefiled by Qwest witness, Mr. Kennedy on December 11, 2001. According to Covad, Mr. Kennedy's revised testimony is substantively different than his initial testimony regarding the subject of basic installation with cooperative testing. Prefiling of response testimony is scheduled to occur on December 20, 2002. Covad states that Qwest does not object to its request for a reasonable extension of time to file response testimony.

The request is granted. Covad may file response testimony on the subject of basic installation with cooperative testing no later than January 11, 2002.

Sincerely,

CAROLE J. WASHBURN
Secretary
