**Subject:** Docket No. UT-042022 - Request to file attachments to T-Netix's Response to Bench Requests 7, 8, and 9 on disk and hard copy

The attachments to T-Netix responses to Bench Requests 7, 8, and 9 are voluminous and will be difficult to file via the Commission's web portal. Rather than file the attachments via the web portal with e-copies of the attachments to all parties, T-Netix requests permission to file the confidential and public versions of the responses via web portal with hard copies of the attachments (and public and confidential versions of the response itself) sent via UPS Next Day Air to all parties of record as well as the WUTC. The WUTC would also receive a disk containing electronic versions of all attachments.

If this request is granted, the Response will be e-filed via the web portal on 10/20/10, and e-mailed to all parties. The attachments will be sent via UPS Next Day air to all parties and the WUTC. The WUTC and the parties will also receive a disk containing the attachments.
