Dear UTC Board:

Local 26 Plumbers & Pipefitters representing approximately 2500 members are proud to support this project 100%. We also are in full support of the entities that have made the correct decisions to accept this project and move forward. Thank you to the Port of Tacoma Board of Directors, the Tacoma City Council, various Departments with the State of Washington including the Attorney General's office, Public Utilities and Transportation Commission, Tote Shipping and our partners at PSE for their foresight to move us all forward into the future

If you have any questions regarding this matter please call (360) 486-9309.

Sincerely,
