Dear Mr. King:

The Federal Communications Commission’s (“FCC”) November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90) requires carriers seeking to obtain recovery through the federal mechanisms established in that Order to make certain certifications to the FCC and to state commissions regarding their eligibility for, and their compliance with the rules applicable to, such recovery.

Specifically, 47 C.F.R. §51.915(d)(3) requires Price Cap Carriers to certify annually to the FCC and to relevant state commissions that the carrier is not seeking duplicative recovery in the state jurisdiction for any Eligible Recovery subject to the federal recovery mechanisms. In compliance with that requirement, Frontier Communications Corporation (Frontier Communications) hereby submits a copy of the certification that was filed with the Federal Communications Commission on September 14, 2018. Please refer to Attachment “A”.

The FCC’s November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90) also requires price cap carriers seeking CAF ICC support to file data establishing the amount of the price cap carrier’s eligible CAF ICC funding per 47 C.F.R. §54.304(c)(1). Please refer to Attachment “B” for Frontier Communications anticipated CAF ICC support and Access Recovery Charge Revenue amounts submitted with its Annual 2018 Access Tariff Filing.
