BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**Docket UE-210542
Puget Sound Energy
Joint Application for an Order Authorizing Proposed
Sales of Indirect Interests in Puget Sound Energy**

PUBLIC COUNSEL INFORMAL DATA REQUEST NO. 006:

For each of the Joint Applicants who are investing in Puget Holdings, please provide the following information:

- a) any agreements that have been proposed between the proposed owners and Puget owners who want or need to sell their position in Puget Holdings;
- b) the pricing, pricing methodology, and sales process for the shares that are sold through these agreements; and
- c) copies of all documents that describe these agreements.

Response:

Each of the Joint Applicants objects to Public Counsel Informal Data Request No. 006 subpart (a) as the term "proposed" is vague and ambiguous, and subpart (c) as overbroad, unduly burdensome, vague and ambiguous.

Subject to and without waiving these objections, aside from the Proposed Transactions, there are no agreements that have been proposed between the proposed owners and the existing owners who want or need to sell their position in Puget Holdings. The purchase and sale documents for the Proposed Transactions are provided as Exh. AR-3 and Exh. CP-3.
