Dear Ms. Washburn:

Pursuant to paragraph 151 of Order No. 7 in Docket No. UT-050814, Verizon Northwest Inc. ("Verizon") provides the status of its compliance with the terms of the FCC and WUTC orders requiring deployment and offering of stand-alone ADSL within twelve months of the merger closing date. Verizon is still working through technical issues to comply with these orders, and has yet to file a report on this matter with the FCC. Once Verizon files such a report at the FCC, it will file a similar report with the WUTC, as contemplated by paragraph 151 of Order No. 7.

If there are questions, please contact Robert Millar at (360) 236-9727.

Very truly yours,
