(Submitted via the Utilities and Transportation Commission's Records Center
Web Portal electronic-filing system and by regular U.S. mail)

Dear Mr. Danner:

Pursuant to paragraph 246 of Final Order No. 6, Docket Nos. UE-040641 and UG-040640¹, Puget Sound Energy, Inc. ("PSE" or "the Company") hereby provides notification that restoration costs for qualifying storm events incurred since January 1, 2010, are expected to exceed the \$8 million threshold established in the referenced proceedings.

It is estimated that restoration costs for qualifying events in 2010 exceeded the threshold while repairing storm damage to PSE's electric system experienced during the November 22, 2010, snow and wind storm.

If you have any questions regarding this informational filing, please contact me at (425) 456-2797.

Very truly yours,

Karl R. Karzmar
