**Re: Docket No. UT-991358
Service Quality Reports**

Dear Mr. King:

CenturyLink has been filing its monthly service quality reports with a reference to this docket number. Upon review, it appears as though the docket reference is no longer relevant to the obligation to file service quality reports, which is now contained in WAC 480-120-439. CenturyLink will continue to file service quality reports as required, but we will no longer be referencing this particular docket number. In the future, service quality reports will only reference Docket No. UT-921192.

Sincerely,

A handwritten signature in cursive script that reads "Lisa A. Anderl".
