BACKGROUND

- 1 On November 2, 2000, Stroh's Water Company, Inc., ("Company") filed with the Commission a contract with Papa John's Pizza for water service and fire flow. The contract agreement would be used to provide domestic water service and fire flow requirements to property located on Point Fosdick Drive NW in Gig Harbor, Washington. The contract calls for several paybacks for an existing tank, a line extension of approximately 600 feet to include a fire hydrant and several other charges contained in the water company's tariff.
- 2 It appearing that the filing would increase rates for service rendered by respondent and that the rights and interest of the public might be injuriously affected, the Commission, on November 29, 2000, entered a Complaint and Order Suspending Contract.
- 3 The Commission is now in receipt of a letter dated April 5, 2001, where respondent requests that the contract filed in this docket be withdrawn.
- 4 From all indications, it appears to be in the public interest to accommodate the request and to concurrently dismiss the Complaint and Order Suspending Contract.
- 5 This matter was brought before the Commission at its regularly scheduled open meeting on April 25, 2001. The Commissioners, having been fully advised on the matter, and having determined the following order to be consistent with the public interest, directed the Secretary to enter this order and related provisions.

ORDER

6 The Commission grants the withdrawal of the contract, filed in this docket UW-001675, and orders that the Compliant and Order Suspending Contract in this docket dated November 29, 2000, shall be dismissed.

DATED at Olympia, Washington, and effective this 25th day of April, 2001.
