Advice No. 3514T

Carole Washburn, Executive Secretary
Washington Utilities and
Transportation Commission
P.O. Box 47250
Olympia, Washington 98504-7250

Dear Ms. Washburn:

Qwest Corporation is forwarding for filing the sheets listed on Attachment A.

On December 14, 2004, Qwest filed Advice No. 3510T, Docket No. UT-042173, introducing an Optical DS3 Entrance Facility monthly recurring rate element to all current and new DS3 switched access customers. This filing was approved by the Commission on January 12, 2005. Unfortunately, Qwest inadvertently omitted the actual rate element in the original tariff filing. Therefore, with this filing, the DS3 Entrance facility charge is being added to Section 6.8 of Qwest's Access Service tariff.

Qwest respectfully requests less than statutory consideration of this filing, allowing for an effective date of January 27, 2005.

If you have questions concerning this filing, please contact Holly Dean on (360) 754-3241.

Sincerely,

Mark Reynolds
