RE: Docket TC-060432

Dear Sirs,

We hereby wish to withdraw our current filed tariff increase currently suspended by the Commission's Order 01 dated April 12, 2006.

I am currently out of state and will not return to Washington until late May or early June therefore I am unable to devote the time and attention required for this filing. Moreover, with the matter of fare methodology under review by the WUTC, perhaps a later filing is appropriate when fare methodology is more certain.

Sincerely,

Richard E. Asche  
President
