WUTC,

4/11/07

I Craig J Elliott (Permit#HG42102) have decided to cancel my hearing request against TLC Transitions temp (Permit#HG62626). I have come to an agreement with Stanley Watkins. He has changed the name of his company to Expert Services with the Secretary of State and the name Total Transition with Department of Licensing. Stan has spoke with Tina Leipski from the Licensing Division of the Washington UTC, and she has confirmed both of these changes. She will be issuing provisional permits in these name changes.

Thank you,

Craig J Elliott
