Re: Temporary HHG Carrier Authority -- Permit #THG-63388

Commission Members:

I recently received notification from the commission regarding the subject temporary household goods authority for Mountain Movers, Inc. located in Seattle, WA.

I am protesting this application in accordance with WAC 480-15-390 as the operating name is too similar to the name of my company, Mountain Moving & Storage, and both companies are operating in the same geographical area.

My office has already received phone calls confusing the two companies.

I am requesting that Mountain Movers, Inc. not be allowed to operate under this name.

Thank you for your consideration.

Best regards,

Edward F. Tuohy
