Subject: Incident Report for TR-091064 - Port of Pasco

Kathy – the below incident report is being submitted for the public highway-rail grade crossing at Sacajawea Park Road and Road 40 East In Pasco, Washington, Docket, USDOT: #097206U.

During the period from Dec 1, 2010 to June 1, 2011 there were no incidents of risky motorist behavior, traffic accidents or other safety related incidents at or near the Port of Pasco at grade rail crossing at the Sacajawea Park Road/Southeast Road 40 East intersection. Sources checked for traffic information included:

- Port of Pasco observations by on-site maintenance crew and security guard reports (verified by phone conversation with Todd Meyers 6/2/11)
- City of Pasco traffic reports (verified by e-mail from City of Pasco Police Records 6/10/2011)
- BNSF observations and/or infractions recorded by BNSF (verified by phone conversation with Trainmaster Ross Molyneaux 6/10/2011)

Per the conditions of the petition, I will be sending you two more reports on or around December 2011 and June 2012 which will complete the 2 year reporting period.
