Ref. No. Docket PL-100012

July 6, 2010

Alan J. Cabodi  
President  
McChord Pipeline Company  
3001 Marshall Avenue  
Tacoma, Washington 98421

Dear Mr. Cabodi:

**RE: 2010 Hazardous Liquid Pipeline Safety Standard Inspection**

Thank you for your letter dated June 25, 2010 addressing the findings of our inspection conducted at your facility the week of May 17-19, 2010.

Your response and proposed plans to mitigate corrosion, personnel training in cathodic protection from a NACE certified instructor, and update your O&M manual to include leak detection calculation rates have been reviewed.

We accept McChord Pipeline's intent to mitigate the items noted in the Areas of Concern. Docket PL-100012 will be closed as of July 6, 2010.

Staff would like to thank McChord's personnel for their cooperation and assistance during this inspection. If staff can be of further assistance, please contact Al Jones at (360) 664-1321.

Sincerely,

David D. Lykken  
Pipeline Safety Director
