RE: Docket UE-101053, Restated Affiliated Interest Agreement Between PacifiCorp
and HomeServices Relocation, Reflecting a Relocation Services Contract.

Dear Mr. Danner:

Pursuant to the provisions of RCW 80.16.020 and WAC 480-100-245, PacifiCorp, d.b.a. Pacific Power (“PacifiCorp” or “Company”), files one verified copy of a restated Relocation Services Contract (“Contract”), by and between HomeServices Relocation (“HomeServices”) and PacifiCorp. PacifiCorp filed the original Relocation Services Contract on June 11, 2010.

As previously noted in the June 11, 2010 filing, PacifiCorp is a wholly-owned subsidiary of MidAmerican Energy Holdings Company (“MEHC”). HomeServices is a privately held limited liability company and a wholly-owned subsidiary of HomeServices of America, Inc. In turn, HomeServices of America, Inc., is a wholly-owned subsidiary of MEHC. Therefore, HomeServices is an affiliate of PacifiCorp pursuant to RCW 80.16.010. A copy of the Contract is included as Attachment A. Appendix A to the Contract, which contains confidential pricing information, has not changed and is not being resubmitted. The Company originally submitted it as confidential Attachment B to the June 11, 2010 filing in accordance with WAC 480-07-160 and requests that it remain confidential.

As noted in the June 11, 2010 filing, MEHC selected HomeServices through a Request for Proposal process designed to elicit the most comprehensive relocation services package at a reasonable cost. MEHC subsidiaries have the option to sign onto the Contract and receive the same terms and conditions as MEHC. While there have been subsequent discussions between MEHC and HomeServices, which have led to clarifications to the parties’ understandings, only one modification to the Contract affects PacifiCorp and that is the effective date. The effective date has been changed from June 15, 2010 to September 15, 2010. In all other respects, the terms and services provided to PacifiCorp have not changed. However, PacifiCorp is now filing the current, restated Contract.

Prior to the start of the Services, and at all times during the term of the Services and this Contract, the Contractor shall purchase, at its own expense, and maintain with insurance companies in good standing and acceptable to the Company, such insurance as will protect the Contractor from liability and claims for injuries and damages which may arise out of or result

from the Contractor's operations under the Contract and for which the Contractor may be legally liable, whether such operations are by the Contractor or by a Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable.

The Company intends that this Contract shall also be one of indemnity, and that such indemnification shall be covered by insurance. Should the Contractor or its Subcontractors fail to provide or maintain any of the insurance coverages referred to in this Contract, the Company shall have the right, but no obligation, to provide or maintain such coverage, or coverage affording equivalent protection, at the Contractor's expense, either by direct charge or set-off.

Company does not represent that the insurance coverages specified herein, whether in scope of coverage or amounts of coverage, are adequate to protect the obligations of the Contractor, and the Contractor shall be solely responsible for any deficiencies thereof. Nothing in this Section shall be deemed to limit the Contractor's liability under this Contract.

SUBCONTRACTOR'S INSURANCE

Company shall have the right to terminate this Contract for Company's convenience upon written notice to Contractor, and Contractor shall terminate performance of services on a schedule acceptable to Company. In the event of termination for Company's convenience, Company shall pay Contractor for all services performed through date of termination.

PG-13. ASSIGNMENT AND BENEFIT. Neither the Contract nor any interest therein nor any claim arising therefrom shall be assigned by Contractor to any person, firm or corporation without the written consent of Company. Nothing herein shall be construed to give any rights or benefits hereunder to anyone other than the Company and Contractor.

No provision of this Contract shall be construed as limiting Company's right to permit its parent, divisions, affiliates, subsidiary companies to use or benefit from the Services provided in this Contract. In such situations, use of the term "Company" in this document may include that entity ordering and benefiting from the Services. Each such affiliate shall execute a Participation Letter in the form of Exhibit A to participate in the Services under this Contract.

PG-14. SUCCESSORS. Company and Contractor each binds itself and its partners, successors, executors, administrators, assigns and legal representatives to the other party to this Contract and to the partners, successors, executors, administrators, assigns, and legal representatives of such other party, in respect to all covenants, contracts, and obligations of this Contract.

PG-15. FOREIGN CORPORATIONS. If Contractor is a corporation organized under the laws of any state other than the State of Iowa, it shall furnish Company with a certified copy of its permit to transact business in Iowa prior to commencing Services under the Contract.

5. The Contractor agrees that all suitable employment openings of the Contractor which exist at the time of the execution of this Contract and those which occur during the performance of this Contract, including those not generated by this Contract and including those occurring at an establishment of the Contractor other than the one wherein the Contract is being performed but excluding those of independently operated corporate affiliates, shall be listed at an appropriate local office of the State employment service system wherein the opening occurs. The Contractor further agrees to provide such reports to such local office regarding employment openings and hires as may be required. The provisions of 41 CFR 60-250.5(A) are incorporated by reference herein.
