Ref. No. Docket PL-110008

October 10, 2011

William H. Collins
Environmental Manager
Tidewater Terminal Company
P.O. Box 1210
6305 NW Old Lower River Rd
Vancouver, WA 98660

Dear Mr. Collins:

**RE: 2011 Hazardous Liquid Standard Inspection – Tidewater Snake River Terminal,
Pasco, Washington**

Thank you for your letter dated September 17, 2011, addressing the findings of our inspection conducted at the Tidewater Terminal in Pasco, WA from July 13-15, 2011.

Staff accepts Tidewater's proposals to bring these items into compliance. Docket number PL-110008 will be closed as of October 10, 2011.

Staff would like to thank Tidewater's personnel for their cooperation and assistance during this inspection. If you have any questions or need further assistance, please contact Dave Cullom at (360) 664-1141.

Sincerely,

David D. Lykken
Pipeline Safety Director

cc. Dennis McVicker, President
Pat Jensen, General Manager
