RE: Docket TC-111457, Proposed Revision to Tariff No. 5; Passenger Seating

Dear Members Solin and Lauver:

Thank you for your letter dated August 16, 2011. I disagree with your assertion that my letter of August 12, 2011, provided no explanation of the grounds for rejecting your tariff filing. The requested tariff would raise rates for certain passengers, and for that reason you must provide thirty days' notice both to customers and the Commission. Moreover, Mr. David Gomez from Regulatory Services Staff responded to you via email on August 16, 2011, which serves as response to your letter.

If you have any questions regarding this letter, please contact Mr. Gomez at dgomez@utcwa.gov or 360-664-1240.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
