Re: Docket No. UT-120924
Bellevue Rate Center Numbering Waiver
Addendum to CenturyLink's Waiver Request

Dear Mr. Danner:

This letter is an addendum to CenturyLink's June 12, 2012 Bellevue Rate Center Numbering Waiver Request.

The customer's planned use of the new Thousands Block (1,000 sequential numbers) is for DID growth at their Bellevue location. These numbers will be dialable and will be identified in the E911 database with the exact customer address location, should a call be placed to 911 from one of these DID numbers.

Sincerely,

Maura Peterson
