

WASHINGTON  
**UTC**  
UTILITIES AND TRANSPORTATION  
COMMISSION

**TO:** David Pratt, – Assistant Director – Transportation Safety  
**FROM:** Tina Leipski,  Transportation Specialist 3  
**DATE:** October 31, 2013  
**SUBJECT:** Docket TV-121143; Application for Permanent Authority

---

On July 3, 2013, New World Van Lines of Washington, Inc., filed Docket TV-121143 requesting permanent household goods authority.

The commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier Permit THG-64656, since July 16, 2013.

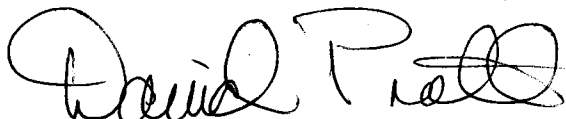

Under WAC 480-15-330, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, reports, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator Bruce Grimm completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Grimm found the company in general compliance and on October 12, 2013, he recommended the applicant be considered for permanent authority.

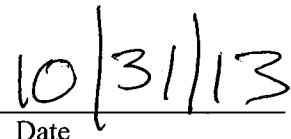

The current provisional permit THG064656 is in order as follows:

- Records Center has an annual report on file;
- Financial Services reports the company has paid appropriate regulatory fees;
- The commission does not have any outstanding penalty or other fines;
- Consumer Protection does not have a pending consumer complaint;
- Transportation Safety does not have a pending compliance action; and
- Company representative attended HHG training on April 10 and August 14, 2013.

I recommend the commission grant TV-121143 without hearing and reissue permit THG-64656 to HG-64656, New World Van Lines of Washington, Inc., as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
