NOTICE RESCINDING PENALTY

RE: *In the Matter of the Penalty Assessment Against Master Call Corporation.,*
Docket UT-130826

On August 1, 2013, the Washington Utilities and Transportation Commission (Commission) issued a penalty assessment against Master Call Corporation (Master Call or Company), in the amount of \$1,800 for failing to file its 2012 Annual Report by May 1, 2013, as required under WAC 480-120-382.

Commission Staff (Staff) subsequently became aware that Master Call filed its 2012 Annual Report on April 30, 2013, and that it was incorrectly recorded under Master Call Communications, which is a different company. Staff recommends under these circumstances that there is no basis for penalizing the Company and that the penalty assessment should be withdrawn.

The Commission accepts Staff's recommendation and rescinds the penalty of \$1,800 assessed against Master Call Corporation. This docket is closed.
