RE: Request for extension of effective date for Docket TC-131269

Dear Mr. King:

Shuttle Express requests an extension of our requested effective date for our tariff submitted on July 5, 2013. We would like to request the effective date be revised to August 31, 2013 at this time at the request of Mr. Brett Shearer of WUTC. This adjustment should allow ample time to review our submitted documents and support before it is scheduled for an open Commission meeting.

We are also submitting our updated working papers through the WUTC Online Records Center at the request of Mr. Shearer for administrative tracking purposes. Per WAC 480-07-160, we are requesting confidential status of these documents in the commissions system. All attached documents past this transmittal letter are considered confidential and are marked as such.
