ERRATUM CORRECTING ORDER 01

RE: *In the Matter of Avista Corporation's Pipe Replacement Program Plan*
Docket PG-131837

TO ALL PARTIES:

On October 30, 2013, the Washington Utilities and Transportation Commission (Commission) entered Order 01 – Order Approving Avista Corporation's Pipe Replacement Plan for 2013-15. The Commission has subsequently become aware of an error in Order 01.

The last sentence of paragraph 12 incorrectly states “. . . Avista estimates that its capital spending for this program will be approximately \$746,500 in 2014 and \$737,000 in 2015.” The order is corrected to replace the words “capital spending” with the words “revenue requirement.”
