**RE: Docket UE-131968 - Avista Corp. Interconnection Standards 2<sup>nd</sup> Substitute Tariff Filing**

On October 21, 2013, Avista Corporation, dba Avista Utilities (“Avista or the Company”), filed proposed Interconnection Standards tariffs and Net Metering tariffs in compliance with WAC 480-108-080. After Commission Staff review of the tariff filing, the Company filed substitute tariff pages to reflect the recommended changes from Staff on December 13, 2013. After additional review and discussion with Staff the Company made additional changes to certain tariff pages included in the substitute filing. The following 2<sup>nd</sup> substitute tariff sheets are submitted under the guidelines of the UTC’s Electronic Tariff Filing Program.

**TARIFF WN U-28 Electric Service**
