Dear Residential White Salmon Customer,

We are pleased to become your new garbage service provider effective March 1, 2014. You should have received a letter from the City of White Salmon last week explaining the decision to elect Republic Services for pickup in your area.

This is to notify you of a proposed rate structure for our new White Salmon residential customers. Pending approval by the Washington Utilities and Transportation Commission (Commission), your new rates are listed below:

If approved, the proposed rates are scheduled to become effective March 1, 2014.

Residential Service	Service Frequency	Proposed Monthly Rate
35 Gallon Cart	weekly	\$ 14.40
65 Gallon Cart	weekly	\$ 20.76
95 Gallon Cart	weekly	\$ 28.80

Not all services are listed above. If you have further questions regarding the proposed rates you may contact the company at (509) 773-5825 or toll free at (866) 319-4811.

The commission has the authority to set final rates that may be either lower or higher from the company's request, depending on the outcome of its investigation. Commission staff will make a recommendation to the commissioners at an open meeting in Olympia, which is scheduled for 9:30 a.m. on February 27, 2014. You will have an opportunity to comment in person at this meeting. The UTC is committed to providing reasonable accommodation to participants with disabilities. If you need reasonable accommodation, please contact the commission at (360) 664-1132 or human_resources@utc.wa.gov. If you are unable to attend the open meeting, the commission has a bridge line which enables you to participate or listen by telephone. Call 360-664-1234 the day before the open meeting for instructions and to sign in. You can also comment by using the "Submit a Comment" feature on the commission's web site, at utc.wa.gov, or by using the contact information below.
