BACKGROUND

- 1 Washington law requires charter and excursion carriers to file annual reports by May 1 of each year. WAC 480-30-071. On November 23, 2013, the Washington Utilities and Transportation Commission (Commission) mailed a letter to all charter and excursion carriers explaining that it recently adopted a rule changing the annual report due date for those carriers from December 31 to May 1. Regulatory fees remain due on December 31. On February 28, 2014, the Commission mailed annual report forms to all charter and excursion carriers. The forms included a reminder that companies must file their annual reports by May 1, 2014, or face penalties of \$100 for each violation of Commission rules. In the case of continuing violations, each day’s continuance is a separate violation. RCW 80.04.405.
- 2 Blue Sky Outfitters, Inc. did not file its annual report on May 1, 2014, and had not made that filing by May 15. On May 23, the Commission assessed a penalty of \$1,000 against Blue Sky Outfitters, Inc., calculated as \$100 per business day from May 1 to May 15.
- 3 On May 30, 2014, Blue Sky Outfitters, Inc. responded to the Commission’s penalty assessment admitting the violations and requesting mitigation of the penalty based on the written information provided. The Company explained that it misplaced the annual report and found it after receiving the penalty assessment. The Company also noted that it timely paid its regulatory fees and had \$10,200 in revenue in 2013.

4 Blue Sky Outfitters, Inc. timely paid its regulatory fees and ultimately filed its annual report on May 30, 2014.

5 On June 6, 2014, Commission Staff (Staff) filed a response recommending a penalty reduction to \$200 because the company timely paid its regulatory fees and has no prior infractions of WAC 480-30-071. Staff also noted that the Commission recently adopted new rules requiring annual reports for charters and excursions to be filed by May 1, while the regulatory fees remain due on December 31.

6 On June 10, 2014, after receiving Staff's response to its mitigation request, Blue Sky Outfitters, Inc. remitted a \$200 payment to the Commission.

DISCUSSION

7 WAC 480-30-071 requires charter and excursion carriers to file annual reports by May 1 of each year. Companies are responsible for complying with their legal obligations, and the Company should have been aware of the need to file an annual report, particularly given the Commission's reminders.

8 The Commission nevertheless agrees with Staff's recommendation. The Commission may consider a number of factors when entertaining a request for mitigation, including a company's history of compliance, whether the violation was promptly corrected, and annual intrastate revenue.¹ This is Blue Sky Outfitters, Inc.'s first violation of WAC 480-30-071. The Company has been regulated since 2012, and timely filed its annual report in 2013. In addition, the Company timely paid its regulatory fee for 2014, and has since filed its annual report. Finally, a penalty of \$1,000 is nearly ten percent of the Company's annual earnings. The Commission's goal is to obtain compliance, not levy a disproportionately large penalty against a small company. While we are not willing to waive the penalty in its entirety, the Commission will exercise its discretion to reduce the penalty to \$200.
