Re: *Washington Utilities and Transportation Commission v. Bobby Wolford Trucking & Salvage Inc., d/b/a Bobby Wolford Trucking & Demolition, Inc.*  
Dockets TG-143802 and TG-151573

Dear Judge Pearson:

Enclosed for filing in Dockets TG-143802 and TG-151573, please find the original and one copy of pages 62 – 69 of Commission Staff's Investigation Report. It has come to Staff's attention that pages 62 – 69 are missing from the Investigation Report on record in the above-referenced dockets. These pages constitute the last eight pages of the Investigation Report's Appendix (e.g., part of Appendix I, Appendix J, and Appendix K).

In addition, an electronic copy of the complete version of the Investigation Report is also included. This complete version of the Investigation Report replaces the version filed in Docket TG-151573 on February 24, 2016, and the version filed in Docket TG-143802 on March 4, 2016. We apologize for any inconvenience or confusion this may have caused.

Please contact me if you have any further questions. Thank you.

Sincerely,

CHRISTOPHER M. CASEY  
Assistant Attorney General
