**Re: Subsequent Filing Required in Docket No. UE-132027  
Advice No. 2015-21  
Electric Tariff Filing - Filed Electronically**

Dear Mr. King:

Puget Sound Energy, Inc. (“PSE”) hereby submits proposed revisions to rates under its electric Schedule 133, Sale of Asset Tracker. This filing, a subsequent filing as defined by WAC 480-07-880(2), is made in accordance with the Commission’s Order No. 05, Granting Joint Motion (the “Order”) in Docket No. UE-132027. This filing pursuant to the Order, RCW 80.28.060 and Chapter 480-80 WAC, proposes revisions in the following electric tariff sheets:

**WN U-60, Tariff G, Electric Service:**

6 <sup>th</sup> Revision of	Sheet No. 133	Sale of Asset Tracker
6 <sup>th</sup> Revision of	Sheet No. 133-A	Sale of Asset Tracker (Continued)
6 <sup>th</sup> Revision of	Sheet No. 133-B	Sale of Asset Tracker (Continued)
6 <sup>th</sup> Revision of	Sheet No. 133-C	Sale of Asset Tracker (Continued)
6 <sup>th</sup> Revision of	Sheet No. 133-D	Sale of Asset Tracker (Continued)
6 <sup>th</sup> Revision of	Sheet No. 133-E	Sale of Asset Tracker (Continued)
3 <sup>rd</sup> Revision of	Sheet No. 133-F	Sale of Asset Tracker (Continued)
2 <sup>nd</sup> Revision of	Sheet No. 133-G	Sale of Asset Tracker (Continued)
2 <sup>nd</sup> Revision of	Sheet No. 133-H	Sale of Asset Tracker (Continued)

Pursuant to the Commission’s Order, \$59.2 million was set in rates to be passed back to customers based on usage in the month of December 2014. Due to warmer than expected conditions, \$7.1 million of the original amount was still due to customers after December 2014. Therefore, in Docket No. UE-150495, PSE set rates to pass back the remaining \$7.1 million in May 2015. Once again, due to temperatures being warmer than forecast, PSE did not pass back all of the \$7.1 million in May 2015. The amount still due to customers is \$257,000.

The Commission's Order provided in paragraph 4 part (6) that if the residual balance owed from or due to all customers exceeds \$100,000 after May 31, 2015, this amount would be surcharged or credited to customers using a process similar to that used for rates set in December 2014 and May 2015 until the amount owed to or from customers falls below \$100,000. As required by the Order, this filing is intended to set rates effective October 1, 2015, through October 31, 2015, to pass back the remaining \$257,000 based on PSE's projected kWh usage for the month of October 2015.

As required by WAC 480-07-885(1)(c) a copy of this filing has been served on each party in Docket No. UE-132027.

The enclosed tariff sheets reflect issue dates of August 31, 2015, and effective dates of October 1, 2015. Work papers that demonstrate the derivation of the rates proposed to be implemented by the enclosed tariff sheets are attached herewith in electronic format.
